Community Service

Students must complete one service opportunity each school semester (September–January and January–April). Each service opportunity is comprised of 3 to 5 sessions and students are expected to attend all sessions for their selected service opportunity. Completion of all selected community service opportunities indicates an awareness of Church teaching and a willingness to fulfill commitments associated with that teaching.

Refer to the separate *Faith In Action* schedule for the dates and times of student-selected service opportunity. This schedule will be provided to the student before each *Faith In Action* semester begins.
